From
Sri. H. Narasimha,
Project Executive Officer
South Kanara, MANGALORE.

Sir,

COMMUNITY PROJECT--South Kanara--Rural Health And
Sanitation--Construction of Urinals for District
Board schools--Instructions--Solicited.

In the overall programme approved for this Project area in Government Memorandum provision has been made under rural Health and Sanitation for sinking of 120 wells at an expenditure of Rs. 2,40,000/-. 103 wells have been sanctioned so far at an expenditure of Rs.1,94,514/- from community project funds. Some 30 more well estimates prepared are pending sanction. The President, District Board, South Kanara has now applied for 50% grant from community project funds for putting up urinals for 14 District Board Hr. Ele. Schools at a cost of Rs. 750/- each. The Community Project grant applied for comes to Rs.5,250/-. This request of the District Board has been recommended by the Project Advisory Committee at its meeting held on 28-2-1955. The expenditure is proposed to be met from the savings that will accrue in the allotment for sinking wells under 'Rural Health and Sanitation'.

P.T.O.

I, therefore, request sanction for incurring expenditure not exceeding Rs. 5,250/- being 50% of the cost of the urinals proposed to be put up by the District Board as stated above, from the balance available under the head 'Rural Health and Sanitation'.

Yours faithfully,

H. Narayana

The draft order overleaf may be perused and the case passed on to Finance [There are also other Dt. Bdo schools which would not provide animals for want of funds e.g. Malabar. It may be worthwhile to consult D.P.E. and sanction similar schemes in those Dt. Bdos also].
